General Information for Filing Your 2008 Louisiana Resident Individual Income Tax Return

- If provided, taxpayers should file the tax form imprinted with their name(s) and address.
- Please print in black ink only.
- Free internet filing and E-pay services are available for most Louisiana taxpayers at www.revenue.louisiana.gov.

SPEC CODE

--	--	--	--

This space on the first page of the tax return is to be used only when specifically instructed by the Department of Revenue. Otherwise, leave blank.

WHO MUST FILE A RETURN

1. If you are a Louisiana resident who is required to file a federal individual income tax return, you must file a Louisiana income tax return reporting all income earned in 2008.
2. You must file a return to obtain a refund or credit if you overpaid your tax through: (A) withholding, (B) declaration of estimated tax, (C) credit carried forward, (D) composite partnership payments made on your behalf, (E) claiming a 2008 refundable child care credit, or (F) claiming a 2008 Louisiana property insurance credit.
3. If you are **not required to file a federal return** but had Louisiana income tax withheld in 2008, **you must file a return to claim a refund of the amount withheld. Please refer to the IRS requirements for filing in order to determine if you must file a federal return. For additional information, see the NOTE on page 19.**
4. If you are military personnel whose home of record is Louisiana, and you meet the filing requirements of 1 or 2 above, you must file a return and report all of your income, regardless of where you were stationed. If you are single, you should file a resident return (Form IT-540), reporting all of your income to Louisiana.

If you are married and both you and your spouse are residents of the State of Louisiana, you should file a resident return (Form IT-540), reporting all of your income to Louisiana. If you are married and one of you is not a resident of Louisiana, you have the option of filing as a resident (Form IT-540), or filing as a nonresident (Form IT-540B). You may choose the option that is more beneficial to you and your spouse. Any military personnel whose domicile is NOT in Louisiana must report any nonmilitary Louisiana sourced income on Form IT-540B.

As a resident taxpayer, you are allowed a credit for an income tax liability paid to another state on nonmilitary income or on income earned by your spouse if that income is included on the Louisiana return. Use Nonrefundable Tax Credits, Schedule G, Line 1 to report taxes paid to another state.

Louisiana residents that are members of the armed services and were stationed out-of-state for 120 or more consecutive days may be entitled to an exemption of up to \$30,000 of military income. Please see the instructions for Schedule E, page 22, Code 10E.

5. Nonresident professional athletes must use Form IT-540B-NRA.
6. A temporary absence from the State of Louisiana does not automatically change your domicile for income tax purposes. You must confirm your intention to change your domicile to another state by actions you have taken to establish a new domicile outside of Louisiana, and by actions you have taken to abandon the Louisiana domicile and its privileges. Examples of establishing a domicile include: registering to vote, registering and titling vehicles, obtaining a driver's license, changing children's school of attendance, obtaining a homestead exemption, or any other actions that show intent to establish a new domicile outside of Louisiana. These are intended as examples and do not necessarily indicate a change in residency. You are considered to be a Louisiana resident if you continue to maintain a residence in Louisiana while working in another state. Use Nonrefundable Tax Credits, Schedule G, Line 1, to report taxes paid to the other state(s).
7. Surviving Spouses, Executors, Administrators, or Legal Representatives—A final return for a decedent must be filed if both of the following are true: (1) you are the surviving spouse, executor, administrator, or legal representative; and (2) the decedent met the filing requirements at the date of death. If both conditions are applicable, (A) mark the decedent box on the face of the return **for the appropriate taxpayer**, (B) attach a copy of the death certificate, and (C) complete and attach Form R-6642 (Statement of Claimant to Refund Due on Behalf of Deceased Taxpayer) only if a refund is due to the decedent's estate, survivor, etc. Form R-6642 is available on the Department's website at www.revenue.louisiana.gov.

FORMS

Forms and instructions may be obtained from any office of the Department of Revenue and on the Department's website at www.revenue.louisiana.gov. The statewide locations are listed on the back cover of this booklet.

AMENDED RETURNS

If you file your income tax return and later become aware of any changes you must make to income, deductions, exemptions, or credits, you must do the following: (1) file an amended (corrected) Louisiana return for the tax year being amended; (2) include an explanation of the change(s); (3) include a copy of the federal amended return, Federal Form 1040X, if one was filed; and (4) clearly mark an "X" in the "Amended Return" box on the face of Form IT-540. **NOTE: Do not make any adjustments for refunds received or for payments made with the original return. This information is already on file.**

FEDERAL TAX ADJUSTMENTS

Louisiana Revised Statute 47:103(C) requires taxpayers whose federal returns are adjusted to furnish a statement disclosing the nature and amounts of such adjustments within 60 days after the adjustments have been made and accepted. This statement should accompany your amended state return.

WHEN TO FILE

1. A 2008 calendar year return is due **on or before May 15, 2009**.
2. Returns for fiscal years are due on or before the 15th day of the fifth month, after the close of the taxable year.

WHERE TO FILE AND PAY TAX

For all returns: print your name(s) and Social Security Number(s) on any correspondence. **NOTE:** On a joint return, print names and the Social Security Numbers on Form IT-540 in the same order that you listed them on your federal return.

A return for which a **payment** is due should be mailed to P. O. Box 3550, Baton Rouge, LA 70821-3550. **Print your Social Security Number(s) on your check or money order. Please do not send cash. An electronic payment option is available on the Department's website at www.revenue.louisiana.gov.**

You can also pay your taxes by credit card over the internet or by telephone. Visit www.officialpayments.com or call 1-888-2PAY-TAX (1-888-272-9829).

All other individual income tax returns should be mailed to P. O. Box 3440, Baton Rouge, LA 70821-3440.

EXTENSION OF TIME FOR FILING A RETURN

The Secretary of the Louisiana Department of Revenue may grant an extension of time for filing returns not to exceed six months from the date the Louisiana income tax return is due. Extensions must be filed before the tax return's due date, May 15, 2009, for the 2008 return, and may be submitted either electronically via the Department of Revenue's website, www.revenue.louisiana.gov, or by submitting Form R-2868 an Application for Extension of Time to File Louisiana Individual Income Tax. An Application is included in this booklet on page 45 and is also available on the Department's website.

By requesting an extension, you are only requesting additional time to file your tax return. An extension does not extend the time to pay any tax that may be due. Payments received after the return due date will be charged interest and penalties. Please place the extension as the first page of your return.

INSTALLMENT REQUEST

If you are unable to pay the balance in full by the due date, you must submit an installment request, Form R-19026, which is available on the Department's website at www.revenue.louisiana.gov.

INTEREST AND PENALTIES

See Interest and Penalty Calculation Worksheets, page 35.

KEEP YOUR RECORDS

You should keep copies of federal and state returns and W-2 statements for four years. In most cases, you should not submit a copy of your federal return. If you have completed Schedule H to claim federal disaster relief credits, submit the specified forms as indicated in the instructions.

CONSUMER EXCISE TAX RETURN

Louisiana imposes an excise tax on tobacco products and alcoholic beverages. If you purchased any of these products via the internet or through the mail, you are required to pay the excise tax on those products. You should use the Consumer Excise Tax Return, Form R-5629, available on the Department's website at www.revenue.louisiana.gov to report and pay the tax due on these products.

Instructions for Preparing Your 2008 Louisiana Resident Income Tax Return Form (IT-540)

ABOUT THIS FORM

The return has been designed for electronic scanning, which permits faster processing with fewer errors. In order to avoid unnecessary delays caused by manual processing, taxpayers should follow the guidelines listed below:

1. If it is provided, use the pre-addressed copy of the return imprinted with the taxpayer's name(s) and address.
2. Print amounts only on those lines that are applicable.
3. Use only a pen with **black ink**.
4. Because this form is read by a machine, please print your numbers **inside the boxes** like this:

5. All numbers should be rounded to the nearest dollar.
6. Numbers should **NOT** be printed over the pre-printed zeros, in the boxes on the far right, which are used to designate cents (.00).
7. To avoid any delay in processing, use this form for **2008** only.
8. If you are filing an amended return, mark an "X" in the "Amended Return" box on the face of the return.
9. If you are filing with an approved Louisiana extension, mark an "X" in the "extension attached" box on the face of the return. Please place the extension as page 1 of your return.

Nonresidents and part-year residents must use Form IT-540B to file their Louisiana return. Nonresident professional athletes must use Form IT-540B-NRA.

Name(s), address, and Social Security Number(s) – If you received a pre-addressed return, print your Social Security Number(s) in the space provided. Using the pre-addressed return helps identify your account, saves processing time, and speeds refunds. If you did not receive a booklet that was pre-addressed, print your name(s), address, and Social Security Number(s) on your return. **If there is a change in your name or address since last year's return (for example, new spouse), please mark the "Name Change" box and/or "Address Change" box on the face of the return.** If married, please print Social Security Numbers for both you and your spouse.

On a joint return, print the Social Security Numbers in the same order that you show your first names. Your names and Social Security Numbers must be listed in the same order that you listed them on your federal return.

NOTE: If you are not required to file a federal return, but had Louisiana income tax withheld in 2008, do the following: (A) complete Lines 1 through 6D, (B) in the appropriate boxes above Line 7, enter all wages and income even though you may not be required to file a federal return and (C) mark the indicator block to the right. Skip to Line 16, and print zero "0" and complete the remainder of the return. **IMPORTANT!** You must enter all wages and income in the boxes above Line 7. Failure to do so will result in processing delays.

Lines 1-5 – Filing status – You must use the same filing status on your Louisiana return as you did on your federal return. In the box on the left, print the number corresponding to your filing status: "1" for Single, "2" for Married Filing Jointly, "3" for Married Filing Separately, "4" for Head of Household, and "5" for Qualifying Widow(er). Head of Household status is for unmarried people who paid over half the cost of keeping up a home for a qualifying person. If you file as Head of Household, you must show the name of the qualifying person in the space provided if the person is not a dependent.

Lines 6A and 6B – Exemptions – Mark an "X" in the appropriate box(es). You must use the same number of exemptions on your Louisiana return as you did on your federal return, unless: (A) you are listed as a dependent on someone else's return, (B) you are age 65 or over, or (C) you are blind. You must claim an exemption for yourself on Line 6A, even if someone else claimed you on his or her federal tax return. This box has already been marked with an "X" for you.

Line 6C – Print the name(s) of the dependents listed on your federal return. Complete the required information. If you have more than 6 dependents, attach a statement to your return with the required information. In the box on Line 6C, print the total number of dependents claimed.

Line 6D – Add Lines 6A, 6B, and 6C. Print the total number of exemptions in the boxes.

Line 7 – Print the amount of your Federal Adjusted Gross Income. This amount is taken from: (A) Federal Form 1040EZ, Line 4, OR (B) from Federal Form 1040A, Line 21, OR (C) from Federal Form 1040, Line 37. If your Federal Adjusted Gross Income is less than zero, print "0."

The following residents should use Schedule E to determine their Louisiana Adjusted Gross Income: (1) residents with exempt income, such as interest on U.S. government obligations and public employee retirement systems, (2) residents with recapture of START contributions, (3) residents with interest income from obligations of other states and their political subdivisions, (4) residents 65 years of age or over, with annual retirement income taxable to Louisiana, and (5) residents who are active duty military and have served 120 or more consecutive days out-of-state during the calendar year.

In order to complete Schedule E, you may need to first compute your modified federal income tax deduction for Louisiana purposes if you are claiming federal disaster relief credits on your 2008 federal return. Mark the box on the face of Form IT-540 if the amount from Schedule E, Line 5C is used.

Line 8A – If you **did not itemize** your deductions on your federal return, leave Lines 8A through 8D blank. If you did itemize your deductions, enter on Line 8A the amount of your federal itemized deductions, shown on Federal Form 1040, Schedule A, Line 29.

Line 8B – If you **did not itemize** your deductions on your federal return, leave this line blank. If you did itemize your deductions and your filing status is: 1 or 3, print \$5,450; 2 or 5, print \$10,900; 4, print \$8,000.

Line 8C – Subtract Line 8B from Line 8A. If less than zero, print zero "0."

Line 8D – Multiply Line 8C by 65% (.65). Print the result on Line 8D. If you did not itemize your deductions on your federal return, leave this line blank.

Line 9 – If you **HAVE** claimed federal disaster relief credits on your federal return as a result of Hurricane Katrina or Hurricane Rita, you must complete Schedule H in order to determine your modified federal income tax deduction for Louisiana. The federal disaster relief credits utilized for this year and allowed by the Internal Revenue Service (IRS) could be credits that are carried forward from 2005 or 2006. However, the credits must appear on your federal return. Attach a copy of your federal return which indicates the amount of the credit, a copy of Federal Form 3800, and a copy of the appropriate IRS form in order to substantiate the amount of the credit.

If you **HAVE NOT** claimed federal disaster relief credits, print your federal income tax liability on Line 9. This amount is taken from your federal return. Below are the federal returns and line numbers that indicate your federal income tax liability.

- Federal Form **1040EZ** filers: This amount is on Line 11.
- Federal Form **1040A** filers: This amount is on Line 35.
- Federal Form **1040** filers: This amount is on Line 56, minus the amount from Form 4972, which is on Line 44.

Optional deduction – The federal tax deduction above may be increased by the amount of foreign tax credit claimed on Federal Form 1040, Line 47. If this additional deduction is claimed, no special allowable credit may be claimed on Louisiana Nonrefundable Tax Credits, Schedule G, Line 4.

Line 10 – Subtract Line 8D and Line 9 from Line 7, and print the result. If less than zero, print zero "0."

Line 11 – Use the tax table that corresponds with your filing status. Locate the amount of your tax table income from Line 10 in the first two columns of the tax table. Read across to the column numbered the same as the total number of exemptions claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. Print this amount on Line 11 of the return. If you have more than 8 exemptions, refer to the instructions at the top of the tax tables.

General Information about Disaster Relief Credits

Federal Disaster Relief Credits

Louisiana provides a deduction for federal income taxes paid on Louisiana income. Generally, when the federal income tax liability is decreased by federal credits, the amount of the Louisiana income tax liability increases. Act 25 of the First Extraordinary Session of 2006 expanded the relief granted to Louisiana taxpayers who claimed certain disaster credits granted for Hurricane Katrina or Hurricane Rita. To avoid paying additional income tax, Louisiana taxpayers who received these federal credits may increase the amount of their Louisiana federal income tax deduction by the amount of certain disaster relief credits claimed on your 2008 federal income tax form. Louisiana Administrative Code (LAC) 61:1.601 designated the following federal credits qualify as disaster relief credits:

1. Employee Retention Credit
2. Work Opportunity Credit

3. Rehabilitation Tax Credit
4. Employer-Provided Housing Credit
5. Low Income Housing Credit
6. New Markets Tax Credit

For complete information about disaster relief credits, review LAC 61:1.601 available through the Department's website at www.revenue.louisiana.gov.

Consult your tax advisor or contact the IRS for information concerning the federal credits. You must attach a copy of the appropriate federal form(s) to your return in order for your modified Louisiana federal income tax deduction to be allowed.

2008 Louisiana Refundable Child Care Credit Instructions

La. R.S. 47:297.4 allows a Louisiana child care credit to be claimed against your Louisiana individual income tax should you meet certain criteria.

For taxpayers whose Federal Adjusted Gross Income is \$25,000 or less, the law provides for a refundable state tax credit whether or not the taxpayer has filed for and claimed a federal child care credit. In order to claim the Louisiana Refundable Child Care Credit, the taxpayer must comply with the same law and rules of Internal Revenue Code Section 21 for the 2008 taxable year. This Internal Revenue Code section governs the federal child care credit. Use Lines 1 through 11 of the Louisiana Refundable Child Care Credit Worksheet on page 31 to compute your refundable credit.

For those taxpayers whose Federal Adjusted Gross Income is greater than \$25,000, the law allows for a certain percentage of the claimed federal child care credit to be used as a nonrefundable credit against one's Louisiana income tax liability. A nonrefundable credit can be carried forward for 5 years if you are unable to claim it in the year in which it is earned. Use Lines 1 through 18 of the 2008 Louisiana Nonrefundable Child Care Credit Worksheet on page 28 to compute your 2008 nonrefundable credit, and to appropriately claim any carry forward you may have from previous years.

Refundable Child Care Credit Instructions and Definitions

1. Your Federal Adjusted Gross Income must be \$25,000 or less to claim a Louisiana refundable child care credit. If you did not file and claim a federal child care credit, you may still file for, and receive, a refundable Louisiana Child Care Credit, if you meet certain criteria. In order to qualify for the Louisiana credit, you must meet the **same tests** for earned income, qualifying dependents, and qualifying expenses as required by the IRS for the federal child care credit.
 2. In order to claim your Louisiana Child Care Credit, you must meet the following requirements:
 - A. Your filing status must be one of the following: single, head of household, qualifying widow(er), or married filing jointly. See Line 3 below for information on married filing separately.
 - B. The care was provided to your dependent child to allow you (and your spouse if married filing jointly) to work or look for work. If you did not find a job and have no earned income for the year, you cannot claim the credit.
 - C. The qualifying child must be under the age of 13.
 - D. The person who provided the care cannot be your spouse, the parent of the qualifying child under age 13, or a person whom you can claim as a dependent. If your child provided the care, he or she must have been age 19 or older by the end of 2008.
 3. If your filing status is married filing separately and all of the following apply, you are considered unmarried for purposes of figuring the credit: (A) you lived apart from your spouse during the last 6 months of 2008, (B) your qualifying dependent child lived in your home more than half of 2008, and (C) you provided over half the cost of keeping up your home. If you meet all the requirements to be treated as unmarried and meet items "B," "C," and "D" listed in Line 2 above, you can take the credit.
4. **Definitions:**
- Qualifying Child:** A qualifying child must be under the age of 13 and can be claimed as a dependent on your return. If the child turned 13 during the year, the child is a qualifying person for the part of the year he or she was under age 13.
- Qualified Expenses:** These include amounts paid for household services and care of the qualifying person while you worked or looked for work. Child support payments are not qualified expenses. Also, expenses reimbursed by a state social service agency are not qualified expenses unless you included the reimbursement in your income. Prepaid expenses are treated as paid in the year the care is provided. Do not include the following as qualified expenses for 2008: (A) expenses you incurred in 2008 but did not pay until 2009, (B) expenses you incurred in 2007 but did not pay until 2008, or (C) an expense you prepaid in 2008 for care to be provided in 2009.
- Dependent Care Benefits:** These include amounts your employer paid directly to either you or your care provider for the care of your qualifying child while you worked. Your salary may have been reduced to pay for these benefits. If you received dependent care benefits, they should be shown on your 2008 Form(s) W-2 in box 10.
- Earned Income:** Earned income includes wages, salaries, tips, other taxable employee compensation, and net earnings from self-employment. A net loss from self employment reduces earned income. Earned income also includes strike benefits, any disability pay you report as wages, and other taxable compensation. You can elect to include nontaxable combat pay in earned income. Earned income does not include: pensions and annuities, social security payments, workers' compensation, interest, dividends, or unemployment compensation, scholarship or fellowship grants, nontaxable workfare payment, or any amount received for work while an inmate in a penal institution.

For additional definitions, details, and information, please see the Internal Revenue Service's Publication 503.

Interest and Penalty Calculation Worksheets

In general, you will be charged interest and penalties if you do not pay all amounts due on or before May 15, 2009. If the return is for a fiscal year, you will be charged interest and penalties if you do not pay on or before the 15th day of the 5th month after the close of the taxable year.

Important: The granting of an extension DOES NOT relieve you of your obligation to pay all tax amounts due by the original due date.

Interest – If your 2008 calendar year income tax amount is not paid by May 15, 2009, you will be charged interest on the unpaid tax from May 16, 2009, until the date of payment for the balance of tax due. Because the interest rate varies from year to year and is not determined until the latter part of 2008, the Department is unable to provide a specific rate at the time of printing. Please see Revenue Information Bulletin (RIB) 09-001 for the 2009 interest rate. The RIB is available on the Department’s website. In order to compute the INTEREST RATE PER DAY, divide the 2009 interest rate by 365 and carry out to seven places to the right of the decimal. Example: Assume the 2009 interest rate is determined to be 17% (0.17) per annum. Divide 0.17 by 365. $0.17/365 = .0004657$, which equals the INTEREST RATE PER DAY. NOTE!! You must carry out your computation to 7 places to the right of the decimal point.

Interest Calculation Worksheet

2	Interest rate per day (See instructions above.)	0. _____
3	Interest rate (Multiply Line 1 by Line 2.)	
4	Amount you owe (Form IT-540, Line 44)	.00
5	Total interest due (Multiply Line 4 by Line 3, and print the result on Form IT-540, Line 46.)	.00

Delinquent Filing Penalty – A delinquent filing penalty will be charged for failure to file a timely return on or before May 15, 2009, for calendar year filers, your fiscal year due date, or your approved extension date. A penalty of 5 percent (.05) of the tax due accrues if the delay in filing is not more than 30 days. An additional 5 percent (.05) is assessed **for each additional 30 days, or fraction thereof**, during which the failure to file continues. By law, the maximum delinquent filing penalty that can be imposed is 25 percent (.25) of the tax due.

Delinquent Filing Penalty Calculation Worksheet		
1	Number of days late from May 15, 2009, for calendar year filers, your fiscal year due date, or your approved extension date.	
2	Divide Line 1 by 30 (days).	÷30
3	Number of 30-day periods (If fraction of days remain, increase to nearest whole number.)	
4	30-day penalty percentage	.05
5	Total penalty percentage (Multiply Line 3 by Line 4. The result cannot exceed 25 percent [.25].)	
6	Amount you owe (Form IT-540, Line 44.)	.00
7	Total amount of delinquent filing penalty due (Multiply Line 6 by Line 5 and print the result on Form IT-540, Line 47.)	.00

Important Notice: The sum of BOTH the delinquent filing and delinquent payment penalties cannot exceed 25 percent (.25) of the tax due. Thirty (30) day increments are used for the calculation of the delinquent filing and delinquent payment penalties. These penalties are based on the date the Department receives the return and/or payment, not the date the envelope is postmarked.

Delinquent Payment Penalty – If you fail to pay 90 percent (.90) of the tax due by the due date, or fiscal year due date a delinquent payment penalty will be assessed. A penalty of 0.5 percent (.005) of the tax not paid by the due date will accrue **for each 30 days, or fraction thereof**, during which the failure to pay continues. This penalty cannot exceed 25 percent (.25) of the tax due.

To determine if you owe a delinquent payment penalty, answer the following questions:

- Are you paying a 2008 tax liability after May 15, 2009?
- Have you paid at least 90 percent (.90) of total tax due?
 - Print the amount from Form IT-540, Line 18. _____ .00
 - Print the amount from Form IT-540, Line 19. _____ .00
 - Add the amounts from Form IT-540, Lines 20 through 24 and print the result. _____ .00
 - Subtract Lines “b” and “c” from Line “a” above. _____ .00
 - Multiply Line “d” by 10 percent (.10). _____ .00
 - Print the amount from Form IT-540, Line 44. _____ .00

If the amount on Line “f” is **less** than or equal to the amount on Line “e,” you **have paid** at least 90 percent (.90) of the total tax due. If the amount on Line “f” is **greater** than the amount on Line “e,” you **have not** paid at least 90 percent (.90) of the total tax due.

If you are paying a 2008 tax liability after May 15, 2009, **AND have not** paid at least 90 percent (.90) of the total tax due, then you owe the delinquent payment penalty. Use the worksheet below to calculate that penalty.

2	Divide Line 1 by 30 days.	÷30

5	Total penalty percentage (Multiply Line 3 by Line 4. The result cannot exceed 25 percent [.25].)	
6	Amount you owe (Form IT-540, Line 44.)	.00
7	Total amount of Delinquent Payment Penalty (Multiply Line 6 by Line 5 and print the result on Form IT-540, Line 48.)	.00

Underpayment Penalty – Louisiana imposes an underpayment penalty on an individual’s failure to sufficiently pay income tax throughout the year by withholding or declaration payments. In order to determine if an underpayment penalty is due and to compute the amount of the underpayment penalty, you must obtain Form R-210R, Resident Underpayment Penalty Return. Complete Form R-210R and attach the completed form to your return.

2008 LOUISIANA TAX TABLE- SINGLE OR MARRIED FILING SEPARATELY (Filing Status Box 1 or 3)

To determine your Louisiana tax, locate the amount of your tax table income (Line 10 of Form IT-540) in the first two columns. Read across to the column with the same number as the total number of exemptions you claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. If your total number of exemptions exceeds eight, reduce your tax table income by \$1,000 for each exemption over eight. Locate this reduced amount in the first two columns and read across to the column numbered eight. The \$4,500 combined personal exemption-standard deduction and \$1,000 for each exemption over one have been used in determining the tax shown in this table.

2008 LOUISIANA TAX TABLE- MARRIED FILING JOINTLY OR QUALIFYING WIDOW(ER) (Filing Status Box 2 or 5)

To determine your Louisiana tax, locate the amount of your tax table income (Line 10 of Form IT-540) in the first two columns. Read across to the column with the same number as the total number of exemptions you claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. If your total number of exemptions exceeds eight, reduce your tax table income by \$1,000 for each exemption over eight. Locate this reduced amount in the first two columns and read across to the column numbered eight. The \$9,000 combined personal exemption-standard deduction and \$1,000 for each exemption over two have been used in determining the tax shown in this table.

If your total number of exemptions exceeds eight, reduce your tax table income by \$1,000 for each exemption over eight. Locate this reduced amount in the first two columns and read across to the column numbered eight. The \$9,000 combined personal exemption-standard deduction and \$1,000 for each exemption over two have been used in determining the tax shown in this table.

To determine your Louisiana tax, locate the amount of your tax table income (Line 10 of Form IT-540) in the first two columns. Read across to the column with the same number as the total number of exemptions you claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. If your total number of exemptions exceeds eight, reduce your tax table income by \$1,000 for each exemption over eight. Locate this reduced amount in the first two columns and read across to the column numbered eight. The \$9,000 combined personal exemption-standard deduction and \$1,000 for each exemption over two have been used in determining the tax shown in this table.

If your Louisiana tax table income (Line 10 of Form IT-540) is at least but less than		And the total exemptions claimed on Line 6D is:

2008 LOUISIANA TAX TABLE- MARRIED FILING JOINTLY OR QUALIFYING WIDOW(ER) (Filing Status Box 2 or 5)

To determine your Louisiana tax, locate the amount of your tax table income (Line 10 of Form IT-540) in the first two columns. Read across to the column with the same number as the total number of exemptions you claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. If your total number of exemptions exceeds eight, reduce your tax table income by \$1,000 for each exemption over eight. Locate this reduced amount in the first two columns and read across to the column numbered eight. The \$9,000 combined personal exemption-standard deduction and \$1,000 for each exemption over two have been used in determining the tax shown in this table.

If your Louisiana tax table income (Line 10 of Form IT-540) is at least but less than		And the total exemptions claimed on Line 6D is:								And the total exemptions claimed on Line 6D is:

2008 LOUISIANA TAX TABLE- HEAD OF HOUSEHOLD (Filing Status Box 4)

To determine your Louisiana tax, locate the amount of your tax table income (Line 10 of Form IT-540) in the first two columns. Read across to the column with the same number as the total number of exemptions you claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. If your total number of exemptions exceeds eight, reduce your tax table income by \$1,000 for each exemption over eight. Locate this reduced amount in the first two columns and read across to the column numbered eight. The \$9,000 combined personal exemption-standard deduction and \$1,000 for each exemption over one have been used in determining the tax shown in this table.

If your Louisiana tax table income (Line 10 of Form IT-540) is at least but less than		And the total exemptions claimed on Line 6D is:
